

## Short Curriculum Vitae:

Francisco José Fernández Rodríguez

Structural Geology lecturer

Oviedo University (permanent position since 2006).

Address: Departamento de Geología. C/Jesus Arias de Velasco s/n  
33005 Oviedo Asturias . [brojos@geol.univoi.es](mailto:brojos@geol.univoi.es) Phones 34 00  
985109545- celular: 626243249

Teaching experience: 5 triennial and 3 quinquennium just to 30/04/2010 and 28/02/20010, respectively. Oviedo University and Manchester University.

Research experience:

- 2 six-year period recognized by Science research ministry of Spain (until 31/12/ 2009)
- 15 research project of public financial support (Two are running nowadays until 2013 and 2014 respectively).
- 11 applied Project to private business (which of 7 as main research).
- 36 science papper: 13 national papers and 13 SCIpapers
- 5 short abroad stances (Manchester and Liverpool (UK universities) and Memorial (St Jhon's, Newfoundland, Canada).
- 23 Conference submissions (4 Spanish, 19 international and 5 as organizer).
